This AGREEMENT AND PLAN OF MERGER, dated as of August 27, 2021 (this “Plan of Merger”), is adopted by Fieldwood Energy LLC, a Texas limited liability company (“FWE”).

WHEREAS, commencing August 3, 2020, FWE and certain other affiliates of FWE (each, a “Debtor” and collectively, the “Debtors”) filed voluntary petitions with the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) initiating their respective cases pending under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) styled *In re Fieldwood Energy LLC, et al.*, jointly administered under Case No. 20-33948 (MI) (each case of a Debtor, a “Case” and collectively, the “Chapter 11 Cases”);

WHEREAS, in connection with the Chapter 11 Cases, the Debtors filed the *Eighth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and Its Affiliated Debtors* at Docket No. 1742 (as may be amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “Plan of Reorganization”), which was confirmed by order of the Bankruptcy Court entered on June 25, 2021 at Docket No. 1751 (as may be amended, modified, and supplemented, the “Confirmation Order”);

WHEREAS, in accordance with the Plan of Reorganization and Confirmation Order, pursuant to the Credit Bid Purchase Agreement certain assets and properties of the Debtors (defined in the Plan of Reorganization as the “Credit Bid Acquired Interests”) were sold and conveyed to, and certain liabilities and obligations of Debtors (defined in the Plan of Reorganization as the “Credit Bid Assumed Liabilities”) were assumed by, FWE II prior to the Effective Time;

WHEREAS, pursuant to the Plan of Reorganization, and as authorized by the Confirmation Order, FWE is to effect a divisional merger as set forth in this Plan of Merger (the “Merger”), pursuant to which, among other things:

- a) FWE shall maintain its separate existence and continue as a surviving entity under the name “Fieldwood Energy III LLC” (as such entity exists from and after the Effective Time, “FWE III”);
- b) a new Texas limited liability company shall be formed under the name “Fieldwood Energy I LLC” (“FWE I”);

- c) all of the FWE I Assets (as defined below) shall be allocated to, possessed by, and vested in FWE I, and all of the FWE I Obligations (as defined below) shall be allocated to and shall vest in, and shall constitute liabilities and obligations of, FWE I;
- d) all of the assets of FWE (other than the FWE I Assets and the Credit Bid Acquired Interests) shall be allocated to, possessed by, and vested in FWE III; and
- e) all of the liabilities and obligations of FWE (other than the FWE I Obligations and the Credit Bid Assumed Liabilities) shall be allocated to and shall vest in, and shall constitute liabilities and obligations of, FWE III; and

WHEREAS, this Plan of Merger has been authorized by the Confirmation Order, which provides such approval of the transactions contemplated hereby as required for purposes of Sections 10.001, 10.002, and 10.302 of the Texas Business Organizations Code (the “TBOC”), and, in accordance with Section 10.008 of TBOC, the Merger shall be consummated without any transfer or assignment having occurred.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, and for the purpose of prescribing the terms and conditions of the Merger, the mode of carrying it into effect, the manner and basis of allocating ownership interests of each of the resulting entities and such other details and provisions of the Merger as are deemed necessary or desirable, FWE has agreed and covenanted, and does hereby agree and covenant, as follows:

1. Subject to the provisions of this Plan of Merger, FWE shall cause the Merger to be consummated by filing a certificate of merger with the Secretary of State of the State of Texas in such form as is required by, and executed in accordance with, the relevant provisions of the TBOC, in substantially the form attached as Exhibit A (the “Certificate of Merger”), together with a certificate of formation of FWE I in substantially the form attached as Exhibit B. The Certificate of Merger shall provide that the Merger shall be effective on the date the Certificate of Merger is accepted and filed with the Secretary of State of the State of Texas (the “Effective Time”).

2. At the Effective Time:

(a) FWE shall be divisionally merged in accordance with the TBOC with (i) FWE I being formed as a Texas limited liability company separate from FWE III and continuing as a surviving business entity of the Merger as to the FWE I Assets and the FWE I Obligations in accordance with the TBOC under the name “Fieldwood Energy I LLC” and (ii) FWE continuing as a surviving business entity of the Merger as to all assets and liabilities of FWE (other than the FWE I Assets, the FWE I Obligations, the Credit Bid Acquired Interests, and the Credit Bid Assumed Liabilities) in accordance with the TBOC under the name “Fieldwood Energy III LLC.” The Merger will have the effect set forth below and in Section 10.008 of the TBOC.

(b) There shall be no change (through conversion, exchange, or otherwise) to the membership interests of FWE, which membership interest in FWE III will continue to be owned by Fieldwood Energy Inc. as of immediately following the Effective Time.

(c) All of the membership interests of FWE I shall be owned by Fieldwood Energy Inc. as of immediately following the Effective Time.

(d) All of the rights, assets, and properties of FWE described in Part A of Schedule I attached hereto (the “FWE I Assets”) shall be allocated to, possessed by, and vested in FWE I without reversion or impairment, without further act or deed, and without transfer or assignment having occurred.

(e) All of the liabilities and obligations of FWE described in Part B of Schedule I attached hereto (the “FWE I Obligations”) shall be allocated to and shall vest in, and shall constitute liabilities and obligations of, FWE I. For the avoidance of doubt, the FWE I Obligations exclude all Credit Bid Assumed Liabilities (including all Closing Date Payables and all FWE II Retained Properties Payables).

(f) All of the rights, assets, and properties of FWE other than the FWE I Assets and the Credit Bid Acquired Interests (collectively, the “FWE III Assets”) shall be allocated to, possessed by, and vested in FWE III without reversion or impairment, without further act or deed, and without transfer or assignment having occurred.

(g) All of the liabilities and obligations of FWE other than the FWE I Obligations and the Credit Bid Assumed Liabilities (collectively, the “FWE III Obligations”) shall be allocated to and shall vest in, and shall constitute liabilities and obligations of, FWE III.

### 3. Post-Merger Covenants.

(a) Each of FWE I and FWE III shall, at any time and from time to time from and after the Effective Time as and when requested by FWE I or FWE III, or by their respective successors or assigns, execute and deliver, or cause to be executed and delivered in its name by its authorized officers, all such conveyances, transfers, deeds, or other instruments as FWE I or FWE III, as applicable, or such successors or assigns, may reasonably deem necessary in order to evidence (i) the allocation to and vesting in FWE I of the FWE I Assets, and the allocation to and vesting in FWE I of, and the liability and obligation of FWE I for, the FWE I Obligations as a result of the Merger and (ii) the allocation to and vesting in FWE III of the FWE III Assets, and the allocation to and vesting in FWE III of, and the liability and obligation of FWE III for, the FWE III Obligations as a result of the Merger. Without limiting the foregoing, FWE III shall take such actions as necessary to effect a transfer to an account designated in writing by FWE I of (i) the FWE I Cash Amount, (ii) the FWE I Suspense Funds, and (iii) the Prepaid JIB Cash Amount.

(b) From and after the Effective Time (i) FWE I shall, and shall cause the FWE I Subsidiaries controlled by FWE I to, perform the obligations of FWE under Section 10.12 of the Credit Bid Purchase Agreement with respect to Closing Accounts Receivable to the extent attributable to FWE I Assets or any assets held by such FWE I Subsidiaries as of the Effective Time (provided FWE I shall have no obligation to incur any cost or expense in performing such obligations), and (ii) FWE III shall, and shall cause its subsidiaries to, perform the obligations of FWE under Section 10.12 of the Credit Bid Purchase Agreement with respect to Closing Accounts Receivable to the extent attributable to FWE III Assets or any assets held by subsidiaries of FWE III as of the Effective Time.

4. As a result of the consummation of the Merger in accordance with this Plan of Merger, FWE I shall only be allocated, shall only possess, and shall only be vested in and receive the FWE I Assets, and shall only be allocated and vested in, shall only possess, and shall only be subject to the FWE I Obligations, and FWE I shall have no rights or obligations relating to any of the FWE III Assets or the FWE III Obligations, except as may be expressly set forth in Section 6 or a separate agreement, which is entered into at or after the Effective Time, between FWE I and FWE III with respect to such other Assets or Obligations; and FWE I shall not be deemed to be a predecessor in interest to any of the FWE III Assets or the FWE III Obligations.

5. As a result of the consummation of the Merger in accordance with this Plan of Merger, FWE III shall only be allocated, shall only possess, and shall only be vested in and receive the FWE III Assets and shall only be allocated and vested in, shall only possess, and shall only be subject to the FWE III Obligations, and FWE III shall have no rights or obligations relating to any of the FWE I Assets or the FWE I Obligations, except as may be expressly set forth in Section 6 or in a separate agreement, which is entered into at or after the Effective Time, between FWE III and FWE I with respect to such other Assets or Obligations; and FWE III shall not be deemed to be a predecessor in interest to any of the FWE I Assets or the FWE I Obligations.

6. If FWE I pays any amounts for (a) deductibles or retention amounts under applicable insurance policies associated with claims for personal injury or damage to third party property arising from the ownership or operation of the FWE I Assets or the GOM Shelf Oil and Gas Properties or (b) fines and penalties levied or imposed by governmental authorities in respect of the FWE I Assets or the GOM Shelf Oil and Gas Properties, then, to the extent that an amount was included in the calculation of the Effective Date Cash Obligations Amount under the Credit Bid Purchase Agreement with respect to such deductible, retention amount, fine or penalty, FWE III shall promptly pay over to FWE I the amount so paid by FWE I, but in each case, not in excess of the amount included with respect to such deductible, retention amount, fine or penalty in the calculation of the Effective Date Cash Obligations Amount. Furthermore, if after the Effective Date, FWE III receives payment of any amount in respect of fines and penalties levied or imposed by governmental authorities in respect of the FWE I Assets or the GOM Shelf Oil and Gas Properties, FWE III shall promptly pay over to FWE I the amount so paid to FWE III in respect of such fines or penalties.

7. Joint Use Property.

(a) If immediately prior to the Effective Time, FWE owned an interest or right in assets (other than FWE III Oil and Gas Properties) which FWE did not acquire under or pursuant to the Apache PSA and which (i) an interest therein (in whole or in part) is not otherwise included in the FWE I Assets (without giving effect to clause (xxiv) of Schedule I) and (ii) immediately prior to the Effective Time are used in connection with or held for use in connection both with (x) FWE I Oil and Gas Properties, FWE I Rights of Way, or GOM Shelf Oil and Gas Properties, on the one hand, and (y) FWE III Oil and Gas Properties or FWE III Rights of Way, on the other hand (individually a “Fieldwood Primary Joint Use Property” and, collectively, the “Fieldwood Primary Joint Use Properties”) then FWE I shall own such Fieldwood Primary Joint Use Property as an FWE I Asset and such Fieldwood Primary Joint Use Property shall not be a FWE III Asset or owned by FWE III; and

(b) to the extent not otherwise covered by a joint use arrangement as of immediately prior to the Effective Time, FWE III shall have, and FWE I shall provide FWE III with, access, use, and economic benefit with respect to any Fieldwood Primary Joint Use Property, as well as any other asset (other than FWE III Oil and Gas Properties and Fieldwood Primary Joint Use Properties) that is (i) included in the FWE I Assets in whole (and not in part only as to FWE I's interest) and (ii) immediately prior to the Effective Time is used in connection with or held for use in connection both with (i) FWE I Oil and Gas Properties, FWE I Rights of Way, or GOM Shelf Oil and Gas Properties, on the one hand, and (ii) FWE III Oil and Gas Properties or FWE III Rights of Way, on the other hand (individually, including any Fieldwood Primary Joint Use Property, a "Fieldwood Joint Use Property" and, collectively, including the Fieldwood Primary Joint Use Properties, the "Fieldwood Joint Use Properties") to the extent, and only to the extent, such Fieldwood Joint Use Property was used or held for use in connection with the applicable FWE III Oil and Gas Properties or FWE III Rights of Way immediately prior to the Effective Time; and

(c) any obligation or liability incurred by FWE I to the extent arising from, related to, or connected with the access, use, or economic benefit of a Fieldwood Joint Use Property by or on behalf of FWE III, (1) shall not constitute a FWE I Obligation, (2) shall be FWE III Obligations and the obligations and liabilities of FWE III, and (3) FWE III shall indemnify and hold harmless FWE I and the FWE I Subsidiaries from and against all such obligations and liabilities allocated to FWE III pursuant to this Section 6.

(d) For the avoidance of doubts, to the extent necessary, any contract listed on Exhibit I-F(ii) shall constitute a Fieldwood Joint Use Property to the extent such contract covers or pertains to equipment, materials, or services that are to be used or held for use for FWE I and also covers or pertains to equipment, materials, or services that are to be used or held for use for FWE III. If any such contract listed on Exhibit I-F(ii) constitutes a Fieldwood Joint Use Property as of the Effective Time, each of FWE I and FWE III, and their respective successors and assigns, shall undertake diligent efforts to enter into replacement contracts covering only such equipment, materials, or services as are used or held for use in connection with its respective assets and properties.

Words such as “herein,” “hereinafter,” “hereof,” and “hereunder” refer to this Plan of Merger as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. Minor variations in the form of the signature page, including footers from earlier versions of this Plan of Merger or any such other document, shall be disregarded in determining any Surviving Entity's intent or the effectiveness of such signature.

13. At or immediately following the Effective Date, FWE IV and FEO, on the one hand, and FWE III, on the other hand, shall enter into one or more hydrocarbon purchase agreements whereby FWE IV will sell hydrocarbons produced from its assets to FWE III and FEO on mutually agreeable terms during the period from the Effective Date until the Condition Precedent End Date (the "Hydrocarbon Sales Contract(s)"). **Section 5.03 Regulatory and Special Allocations.** Notwithstanding the provisions of Section 5.02:

(a) If there is a net decrease in Company Minimum Gain (determined according to Treasury Regulations Section 1.704-2(d)(1)) during any Fiscal Year, each Member shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). (b) Member Nonrecourse Deductions shall be allocated in the manner required by Treasury Regulations Section 1.704-2(i). Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Fiscal Year, each Member that has a share of such Member Nonrecourse Debt Minimum Gain shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain. (c) Nonrecourse Deductions shall be allocated to the Members in accordance with their Membership Interests.

(d) In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), Net Income shall be specially allocated to such Member in an

amount and manner sufficient to eliminate the Adjusted Capital Account Deficit created by such adjustments, allocations, or distributions as quickly as possible. This Section 5.03(d) is intended to comply with the “qualified income offset” requirement in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(e) Simulated Depletion and Simulated Gain or Loss with respect to any Depletable Property shall be allocated among the Members in proportion to their shares of the Simulated Basis in such property. Each Member’s share of the Simulated Basis in each of the Company’s Depletable Properties shall be allocated to each Member in accordance with such Member’s Membership Interest as of the time such Depletable Property is acquired by the Company, and shall be reallocated among the Members in accordance with the Members’ Membership Interest as determined immediately following the occurrence of an event giving rise to any adjustment to the Book Values of the Company’s oil and gas properties pursuant to the terms of this Agreement (or at the time of any material additions to the federal income tax basis of such Depletable Property).

(f) The allocations set forth in subsections Section 5.03(a), Section 5.03(b), Section 5.03(c), Section 5.03(d) and Section 5.03(e) above (the “**Regulatory Allocations**”) are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. #### **Section 5.04 Tax Allocations.**

(a) Subject to Section 5.04(b), Section 5.04(c), and Section 5.04(d), all income, gains, losses and deductions of the Company shall be allocated, for federal, state, and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses, and deductions pursuant to Section 5.02 and Section 5.03, except that if any such allocation for tax purposes is not permitted by the Code or other Applicable Law, the Company’s subsequent income, gains, losses, and deductions shall be allocated among the Members for tax purposes, to the extent permitted by the Code and other Applicable Law, so as to reflect as nearly as possible the allocation set forth in Section 5.02 and Section 5.03.

(b) Items of Company taxable income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) using such reasonable method under Treasury Regulations Section 1.704-3 as shall be determined by the Sole Manager, so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.

(c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value, subsequent allocations of items of taxable income, gain, loss, and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value using such reasonable method under Treasury Regulations Section 1.704-3 as shall be determined by the Sole Manager.

(d) Allocations of tax credit, tax credit recapture, and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Sole Manager taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).

(e) The deduction for depletion with respect to each separate oil and gas property (as defined in Section 614 of the Code) shall, in accordance with Section 613A(c)(7)(D) of the Code, be computed for federal income tax purposes separately by the Members rather than the Company. The proportionate share of the adjusted tax basis of each oil and gas property shall be allocated to each Member in accordance with such Member's Membership Interest as of the time such oil and gas property is acquired by the Company (and any additions to such U.S. federal income tax basis resulting from expenditures required to be capitalized in such basis shall be allocated among the Members in a manner designed to cause the Members' proportionate shares of such adjusted U.S. federal income tax basis to be in accordance with their Membership Interests as determined at the time of any such additions), and shall be reallocated among the Members in accordance with the Members' Membership Interests as determined immediately following the occurrence of an event giving rise to an adjustment to the Book Values of the Company's oil and gas properties. For purposes of the separate computation of gain or loss by each Member on the taxable disposition of each oil and gas property, the amount realized from such disposition shall be allocated (i) first, to the Members in an amount equal to the Simulated Basis in such oil and gas property in proportion to their allocable shares thereof and (ii) second, any remaining amount realized shall be allocated consistent with the allocation of Simulated Gain or Loss. The allocations described in this Section 5.04(e) are intended to be applied in accordance with the Members' "interests in partnership capital" under Section 613A(c)(7)(D) of the Code; provided, however, that the Members understand and agree that the Sole Manager may authorize special allocations of federal income tax basis, income, gain, deduction or loss, as computed for U.S. federal income tax purposes, in order to eliminate differences between Simulated Basis and adjusted U.S. federal income tax basis with respect to each oil and gas property, in such manner as determined consistent with the principles outlined in Sections 5.04b) and 5.04c).

The provisions of this Section 5.04(e) and the other provisions of this Agreement relating to allocations under Section 613A(c)(7)(D) of the Code are intended to comply with Treasury Regulations Section 1.704-1(b)(4)(v) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. Each Member, with the assistance of the Company, shall separately keep records of its share of the adjusted tax basis in each oil and gas property, adjust such share of the adjusted tax basis for any cost or percentage depletion allowable with respect to such property and use such adjusted tax basis in the computation of its cost depletion or in the computation of its gain or loss on the disposition

of such property by the Company. Upon the reasonable request of the Company, each Member shall advise the Company of its adjusted tax basis in each oil and gas property and any depletion computed with respect thereto, both as computed in accordance with the provisions of this subsection for purposes of allowing the Company to make adjustments to the tax basis of its assets as a result of certain transfers of interests in the Company or distributions by the Company. The Company may rely on such information and, if it is not provided by the Member, may make such reasonable assumptions as it shall determine with respect thereto. When reasonably requested by the Members, the Company shall provide all available information needed by such Members to comply with the record keeping requirements of this Section 5.04(e) and other applicable tax reporting obligations.

(f) Allocations pursuant to this Section 5.04 are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, distributions, or other items pursuant to any provisions of this Agreement.

**Section 5.05 Allocations in Respect of Transferred Membership Interests.** In the event of a Transfer of Membership Interests during any Fiscal Year made in compliance with the provisions of ARTICLE VIII, Net Income, Net Losses, and other items of income, gain, loss, and deduction of the Company attributable to such Membership Interests for such Fiscal Year shall be determined using the interim closing of the books method.

## **ARTICLE VI DISTRIBUTIONS**

### **Section 6.01 General.**

(a) Subject to Section 6.02 and Section 7.03(b), distributions of available cash shall be made to the Members when and in such amounts as determined by the Sole Manager and only following (i) payment of all operating expenses of the Company, including required payments under the Material Project Contracts, and the termination of the Material Project Contracts, (ii) the payment in full of any and all amounts owing to Credit Bid Purchaser or CUSA under any Material Project Contract, and (iii) the cessation of all production from, and Final Completion of all plugging and abandonment and decommissioning of the FWE IV Assets. (b) Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any distribution to the Members (i) prior to the cessation of all production from, and Final Completion of all plugging and abandonment and

decommissioning activities on, the FWE IV Assets, except as provided in Section 6.02, or (ii) if such distribution would violate § 101.206 of the BOC or other Applicable Law.

### **Section 6.02 Tax Advances.**

(a) Subject to (i) any restrictions in the Company's then-applicable debt financing arrangements, if any, and (ii) the Sole Manager's good faith determination to retain any other amounts necessary to satisfy obligations of the Company that are reasonably expected to be due and payable in the 90 days following the date of determination, at least three days before each date prescribed by the Code for a calendar-year corporation to pay quarterly installments of estimated tax, the Company shall use commercially reasonable efforts to distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such distribution, a "**Tax Advance**").

(b) If, at any time after the final Quarterly Estimated Tax Amount has been distributed pursuant to Section 6.02(a) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a "**Shortfall Amount**"), the Company shall use commercially reasonable efforts to distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to distribute Shortfall Amounts with respect to a Fiscal Year before the 90<sup>th</sup> day of the next succeeding Fiscal Year; provided, that if the Company has made distributions other than pursuant to this Section 6.02, the Sole Manager may apply such distributions to reduce any Shortfall Amount.

(c) If the aggregate Tax Advances made to any Member pursuant to this Section 6.02 for any Fiscal Year exceed such Member's Tax Amount (an "**Excess Amount**"), such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this Section 6.02, except to the extent taken into account as an advance pursuant to Section 6.02(d).

(d) Any distributions made pursuant to this Section 6.02 shall be treated for purposes of this Agreement as advances on distributions pursuant to Section 6.01 and shall reduce, dollar-for-dollar, the amount otherwise distributable to such Member pursuant to Section 6.01.

### **Section 6.03 Tax Withholding; Withholding Advances.**

(a) **Tax Withholding.** Each Member agrees to furnish the Company with any representations and forms as shall be reasonably requested by the Company to assist it in determining the extent of, and in fulfilling, any withholding obligations it may have.

(b) **Withholding Advances.** The Company is hereby authorized at all times to make payments ("**Withholding Advances**") with respect to each Member in amounts required to discharge any obligation of the Company, including any obligation under Section 6225 of the Code (as determined by the Tax Matters Representative based on the

advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a “**Taxing Authority**”) with respect to any distribution or allocation by the Company of income or gain to such Member and to withhold the same from distributions to such Member. Any funds withheld from a distribution by reason of this Section 6.03(b) shall nonetheless be deemed distributed to the Member in question for all purposes under this Agreement. If the Company makes any Withholding Advance in respect of a Member hereunder that is not immediately withheld from actual distributions to the Member, then the Member shall promptly reimburse the Company for the amount of such payment, plus interest at a rate equal to the prime rate published in the Wall Street Journal on the date of payment plus two percent per annum, compounded annually, on such amount from the date of such payment until such amount is repaid (or deducted from a distribution) by the Member (any such payment shall not constitute a Capital Contribution). Each Member’s reimbursement obligation under this Section 6.03(b) shall continue after such Member transfers its Membership Interests.

(c) **Indemnification.** Each Member hereby agrees to defend, indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest, or penalties that may be asserted by reason of the Company’s failure to deduct and withhold tax on amounts distributable or allocable to such Member. The provisions of this Section 6.03(c) and the obligations of a Member pursuant to Section 6.03(b) shall survive the termination, dissolution, liquidation, and winding up of the Company and the withdrawal of such Member from the Company or Transfer of its Membership Interests. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 6.03, including bringing a lawsuit to collect repayment with interest of any Withholding Advances.

(d) **Overwithholding.** None of the Company or the Sole Manager shall be liable for any excess taxes withheld in respect of any distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member’s sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

#### **Section 6.04 Distributions in Kind.**

(a) Subject to Sections 6.01 and 6.02, the Sole Manager is hereby authorized, as it may reasonably determine, to make distributions to the Members in the form of securities or other property (but not including any oil and gas properties) held by the Company; provided, that Tax Advances shall only be made in cash. In any non-cash distribution, the securities or property so distributed will be distributed among the Members in the same proportion and priority as cash equal to the Fair Market Value of such securities or property would be distributed among the Members pursuant to Section 6.01.

(b) Any distribution of securities shall be subject to such conditions and restrictions as the Sole Manager determines are required or advisable to ensure compliance with Applicable Law. In furtherance of the foregoing, the Sole Manager may require that the Members execute and deliver such documents as the Sole Manager may deem necessary or appropriate to ensure compliance with all federal and state securities laws that

apply to such distribution and any further Transfer of the distributed securities, and may appropriately legend the certificates that represent such securities to reflect any restriction on Transfer with respect to such laws.

## **ARTICLE VII MANAGEMENT**

**Section 7.01 Management of the Company.** The business and affairs of the Company shall be managed, operated, and controlled by or under the direction of one manager designated pursuant to Section 7.02 (the “**Sole Manager**”). Subject to the provisions of Section 7.04, the Sole Manager shall have, and is hereby granted, full and complete power, authority, and discretion for, on behalf of, and in the name of the Company, to take such actions as it may deem necessary or advisable to carry out any and all of the objectives and purposes of the Company, to the exclusion of the Members unless expressly provided for otherwise in this Agreement or expressly required under the BOC. Subject to the provisions of Section 7.06, the Sole Manager shall have, and is hereby granted, full and complete power, authority, and discretion for, on behalf of, and in the name of the Company, to take such actions as it may deem necessary or advisable to carry out any and all of the objectives and purposes of the Company.

**Section 7.02 Sole Manager.** The Company shall not have any officers or employees other than the Sole Manager. Sunset Energy Gulf Coast Asset Management LLC has been selected and designated by the Member with the consent of CUSA to serve as the initial Sole Manager. The Sole Manager may not be removed without CUSA’s prior written consent, which may be given, delayed or withheld in its sole discretion. In the event that the Sole Manager is removed with CUSA’s written consent or the Sole Manager resigns or otherwise ceases to serve in such capacity, then the Sole Manager shall be selected pursuant to the following procedure: CUSA and the Company (acting through the Member for all purposes under this Section 7.02, who shall solicit input from Credit Bid Purchaser for all purposes under this Section 7.02) shall agree on a replacement, and, if they cannot agree, the Company shall designate a replacement, which shall be subject to CUSA’s approval (which approval shall not to be unreasonably withheld, conditioned or delayed).

### **Section 7.03 Material Project Contracts; Net Profit Interest.**

(a) The Company’s execution and performance of its obligations under each of the Omnibus Agreement, the NPI Conveyance, the Contract Operating Agreement, the Turnkey Removal Agreement, the Joint Development Agreement, the Deepwater Assets Decommissioning Funding Agreement, the SEMS Bridging Agreement, the Transition Services Agreement and the Escrow Agreement has been approved by the Member and shall not require any other approval on the part of the Company (by the Sole Manager or otherwise). The Sole Manager shall not amend or modify such agreements, except in accordance with this Agreement.

(b) At the end of each Production Period, the Company shall pay into the Escrow Account the NPI Payment, if any is due, as calculated pursuant to the terms of the NPI Conveyance.

**Section 7.04 Actions Requiring CUSA Consent.** Without the prior written consent of CUSA (which written consent may be given, delayed or withheld in CUSA's sole discretion, unless expressly indicated otherwise), the Company shall not do, or enter into any commitment to do, any of the following:

- (a) engage in any business or activity other than (i) plugging and abandoning and decommissioning the FWE IV Assets and (ii) operating the FWE IV Assets prior to their plugging and abandonment and decommissioning;
- (b) use revenue or free cash flow for any purpose other than (i) for funding Reimbursable Costs or Third Party Payments under the Contract Operating Agreement (or similar charges under a replacement thereto) and, if applicable, payment into the Escrow Account and (ii) Tax Advances pursuant to Section 6.02(a);
- (c) issue additional Membership Interests or any other equity securities or admit additional Members to the Company;
- (d) approve any decommissioning plan with respect to the FWE IV Assets; or engage or retain any decommissioning subcontractor other than Credit Bid Purchaser pursuant to the Turnkey Removal Agreement;
- (e) incur any Indebtedness;
- (f) make any loan, advance, or capital contribution or make any investment in any Person;
- (g) replace, remove or change the powers of the Sole Manager;
- (h) replace or remove Credit Bid Purchaser under the Contract Operating Agreement; engage or retain any contract operator other than Credit Bid Purchaser pursuant to the Contract Operating Agreement; amend, or waive the application of, any provision of the Contract Operating Agreement;
- (i) divest any of the FWE IV Assets (other than sales of hydrocarbons in the ordinary course of business) or acquire any other assets (other than for a purpose permitted under Section 7.04(a) and in accordance with the terms of the Contract Operating Agreement, and further subject to any approval rights contained therein);
- (j) approving any prospective joint development project or other capital project for which an election to participate has been delivered to the Company pursuant to the Joint Development Agreement or approve any well takeover under the Joint Development Agreement;
- (k) agree to any (i) settlement or order with any Governmental Authority relating to the FWE IV Assets or the operations conducted thereon, (ii) settlement relating to contribution or payment amounts relating to decommissioning obligations with any Person, including any predecessor-in-interest to all or any portion of the leases and lands

covered by the FWE IV Assets or any surety bond provider or other provider or holder of security relating to decommissioning operations, or (iii) any other settlement involving FWE IV Assets or the operation of FWE IV;

(l) amend any provision of a Material Project Contract, or waive any material right of the Company under a Material Project Contract;

(m) [Reserved];

(n) take any act of Bankruptcy, liquidate or otherwise terminate the existence of the Company or any of its Subsidiaries;

(o) enter into a fundamental business transaction within the meaning of such term in the BOC;

(p) establish a Subsidiary or enter into any joint venture or similar business arrangement or enter into a transaction covered by Section 7.03;

(q) enter into, amend, waive, or terminate any contract with an Affiliate of the Company; or

(r) amend, modify, supplement, restate, or waive any provision of the Certificate of Formation, this Agreement or any other organizational documents of the Company or its Subsidiaries (and any such amendment, modification, supplement, or waiver that is attempted without CUSA's prior written consent shall be void *ab initio* and without effect).

If CUSA in good faith believes that (x) Credit Bid Purchaser is in breach the Contract Operating Agreement in a manner that is materially adverse to the Company or is liable to the Company for indemnification pursuant to the terms of the Contract Operating Agreement, and (y) the Company has failed to enforce its rights (including, if applicable, termination right) with respect to such breach or indemnification and such failure is materially adverse to the Company, then CUSA may (i) deliver a written notice to the Company requesting that the Company enforce such rights (any rights to which such request relates must be specifically identified) and (ii) if the Company fails to enforce such rights within thirty days of its receipt of such notice, CUSA may itself enforce the rights of the Company against Credit Bid Purchaser on the Company's behalf.

**Section 7.05 No Compensation of the Sole Manager.** The Sole Manager shall receive an offer letter and be compensated for the services provided by such individual as the Sole Manager of the Company in the amount set forth in such offer letter. The Company shall reimburse the Sole Manager for all reasonable, ordinary, necessary, and direct third-party expenses incurred by the Sole Manager on behalf of the Company in carrying out the Company's business activities.

**Section 7.06 No Personal Liability.** Except as otherwise provided in the BOC or by Applicable Law, or expressly provided in this Agreement or any written agreement between the Company and the Sole Manager, (i) the Sole Manager will not be obligated personally for any debt, obligation, or liability of the Company, whether arising in contract, tort, or otherwise,

including a debt, obligation, or liability under a judgment, decree, or order of a court, solely by reason of being or acting as the Sole Manager and (ii) subject to Section 7.04, the Sole Manager shall carry out his or her duties under this Agreement in good faith and a manner in which the Sole Manager believes to be consistent with and in furtherance of the purpose of the Company specified in Section 2.05(a).

## **ARTICLE VIII TRANSFER**

### **Section 8.01 General Restrictions on Transfer.**

(a) No Member shall Transfer all or any portion of its Membership Interest in the Company without the prior written approval of the Sole Manager.

(b) Subject to Section 8.01(a), each Member agrees that it will not Transfer all or any portion of its Membership Interest in the Company, and the Company agrees that it shall not issue any Membership Interests:

(i) except as permitted under the Securities Act and other Applicable Laws, and then, with respect to a Transfer of Membership Interests, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act;

(ii) if the Company becomes a partnership for U.S. federal income tax purposes, if such Transfer or issuance would cause the Company to be considered a “publicly traded partnership” under Section 7704(b) of the Code within the meaning of Treasury Regulations Section 1.7704-1(h)(1)(ii), including the look-through rule in Treasury Regulations Section 1.7704-1(h)(3);

(iii) if such Transfer or issuance would affect the Company’s existence or qualification as a limited liability company under the BOC;

(iv) if the Company becomes a partnership for U.S. federal income tax purposes, if such Transfer or issuance would cause the Company to lose its status as a partnership for federal income tax purposes;

(v) if such Transfer or issuance would cause the Company to be required to register as an investment company under the Investment Company Act of 1940, as amended;

(vi) if such Transfer or issuance would cause the assets of the Company to be deemed “Plan Assets” as defined under the Employee Retirement Income Security Act of 1974 or its accompanying regulations or result in any “prohibited transaction” thereunder involving the Company; and

(vii) such Transfer would limit, hinder or prohibit the Company from carrying out its purpose under Section 2.05(a).

(c) Any Transfer or attempted Transfer of any Membership Interest in violation of this Agreement shall be null and void *ab initio*, no such Transfer shall be recorded on the Company's books, and the purported Transferee in any such Transfer shall not be treated (and the purported Transferor shall continue to be treated) as the owner of such Membership Interest for all purposes of this Agreement.

(d) No Transfer of any Membership Interest to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee has executed a joinder agreement in form and substance acceptable to the Company.

(e) For the avoidance of doubt, any completed Transfer of a Membership Interest permitted by this Agreement shall be deemed a sale, transfer, conveyance, assignment, or other disposal of such Membership Interest in its entirety as intended by the parties to such Transfer, and shall not be deemed a sale, transfer, conveyance, assignment, or other disposal of any less than all of the rights and benefits described in the definition of the term "Membership Interest."

## ARTICLE IX EXCULPATION AND INDEMNIFICATION

### Section 9.01 Exculpation of Covered Persons.

(a) **Covered Persons.** As used herein, the term "**Covered Person**" shall mean (i) each current or former Member; (ii) each current or former manager, officer, director, shareholder, partner, member, Affiliate, employee, agent, or Representative of each Member, and each of their Affiliates; and (iii) each manager (including the Sole Manager), officer (if any), employee (if any), agent, or Representative of the Company.

(b) **Standard of Care.** No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage, or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in good faith reliance on the provisions of this Agreement, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person.

(c) **Good Faith Reliance.** A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports, or statements (including financial statements and information, opinions, reports, or statements as to the value or amount of the assets, liabilities, Net Income, or Net Losses of the Company or any facts pertinent to the existence and amount of assets from which distributions might properly be paid) of the following Persons or groups: (i) another Member; (ii) one or more managers, officers or employees of the Company; (iii) any attorney, independent accountant, appraiser, or other expert or professional employed or engaged by or on behalf of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Person

reasonably believes to be within such other Person's professional or expert competence. The preceding sentence shall in no way limit any Person's right to rely on information to the extent provided in § 3.102 or § 3.105 of the BOC.

## **Section 9.02 Liabilities and Duties of Covered Persons.**

(a) **Limitation of Liability.** This Agreement, unless otherwise specifically stated herein, is not intended to, and does not, create or impose any fiduciary duty on any Covered Person. Furthermore, each of the Members and the Company hereby waives any and all fiduciary duties that, absent such waiver, may be implied by Applicable Law, and in doing so, acknowledges and agrees that the duties and obligations of each Covered Person to each other and to the Company are only as expressly set forth in this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.

(b) **Duties.** Subject to Section 7.06, whenever in this Agreement a Covered Person is permitted or required to make a decision (including a decision that is in such Covered Person's "discretion" or under a grant of similar authority or latitude), the Covered Person shall be entitled to consider only such interests and factors as such Covered Person desires and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company or any other Person. Whenever in this Agreement a Covered Person is permitted or required to make a decision in such Covered Person's "good faith," the Covered Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement or any other Applicable Law.

## **Section 9.03 Indemnification.**

(a) **Indemnification.** To the fullest extent permitted by the BOC, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution, or replacement, only to the extent that such amendment, substitution, or replacement permits the Company to provide broader indemnification rights than the BOC permitted the Company to provide prior to such amendment, substitution, or replacement), the Company shall indemnify, hold harmless, defend, pay, and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines, or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines, or liabilities, and any amounts expended in settlement of any claims (collectively, "**Losses**") to which such Covered Person may become subject by reason of:

- (i) any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company, any Member, or any direct or indirect Subsidiary of the foregoing in connection with the business of the Company; or
- (ii) such Covered Person being or acting in connection with the business of the Company as a member, shareholder, Affiliate, manager, director, officer, employee, or agent of the Company, any Member, or any of their respective

Affiliates, or that such Covered Person is or was serving at the request of the Company as a member, manager, director, officer, employee, or agent of any Person including the Company;

provided, that (x) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (y) such Covered Person's conduct did not constitute fraud or willful and intentional misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud or willful misconduct.

(b) **Control of Defense.** Upon a Covered Person's discovery of any claim, lawsuit, or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 9.03, the Covered Person shall give prompt written notice to the Company of such claim, lawsuit, or proceeding; provided, that the failure of the Covered Person to provide such notice shall not relieve the Company of any indemnification obligation under this Section 9.03, unless the Company shall have been materially prejudiced thereby. The Company shall be entitled to participate in or assume the defense of any such claim, lawsuit, or proceeding at its own expense. After notice from the Company to the Covered Person of its election to assume the defense of any such claim, lawsuit, or proceeding, the Company shall not be liable to the Covered Person under this Agreement or otherwise for any legal or other expenses subsequently incurred by the Covered Person in connection with investigating, preparing to defend, or defending any such claim, lawsuit, or other proceeding. If the Company does not elect (or fails to elect) to assume the defense of any such claim, lawsuit, or proceeding, the Covered Person shall have the right to assume the defense of such claim, lawsuit, or proceeding as it deems appropriate, but it shall not settle any such claim, lawsuit, or proceeding without the consent of the Company (which consent shall not be unreasonably withheld, conditioned, or delayed).

(c) **Reimbursement.** The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend, or defending any claim, lawsuit, or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 9.03; provided, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this Section 9.03, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(d) **Entitlement to Indemnity.** The indemnification provided by this Section 9.03 shall not be deemed exclusive of any other rights to indemnification to which those

seeking indemnification may be entitled under the BOC, any agreement or otherwise. The provisions of this Section 9.03 shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section 9.03 and shall inure to the benefit of the executors, administrators, legatees, and distributees of such Covered Person.

(e) **Insurance.** To the extent available on commercially reasonable terms, the Company may purchase, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Sole Manager may reasonably determine; provided, that the failure to obtain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.

(f) **Funding of Indemnification Obligation.** Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 9.03 shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.

(g) **Savings Clause.** If this Section 9.03 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this Section 9.03 to the fullest extent permitted by any applicable portion of this Section 9.03 that shall not have been invalidated and to the fullest extent permitted by Applicable Law.

(h) **Amendment.** The provisions of this Section 9.03 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this Section 9.03 is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification, or repeal of this Section 9.03 that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

**Section 9.04 Survival.** The provisions of this ARTICLE IX shall survive the dissolution, liquidation, winding up, termination of the Company and the withdrawal of any Member or the Transfer of any Member's interest in the Company.

**ARTICLE X**  
**ACCOUNTING; TAX MATTERS**

**Section 10.01 Financial Statements and Other Information.** The Company shall prepare and furnish to each Member and CUSA the following reports:

(a) **Annual Financial Statements.** As soon as available, and in any event within 105 days after the end of each Fiscal Year, its unaudited consolidated balance sheet and related consolidated statements of operations, Members' equity and cash flows as of the end of and for such year prepared in accordance with GAAP consistently applied.

(b) **Quarterly Financial Statements.** As soon as available, and in any event within 60 days after the end of each quarterly accounting period in each Fiscal Year (including the last fiscal quarter of the Fiscal Year), its unaudited consolidated balance sheet and related unaudited consolidated statements of operations, Members' equity and cash flows as of the end of and for such fiscal quarter and the then elapsed portion of the current Fiscal Year, setting forth in each case in comparative form the figures for the corresponding period or periods of the previous Fiscal Year or as at the end of such period or periods, all in reasonable detail and certified by the Company as presenting fairly in all material respects the consolidated financial condition and results of operations of the Company in accordance with GAAP consistently applied, subject to normal year-end audit adjustments and the absence of footnotes.

(c) **Monthly Operating Data.** As soon as available, but in no event later than 45 days after the end of each calendar month, a statement in a form reasonably satisfactory to each Member and CUSA showing all operating data for the Company, including operating expenses and revenue for each of the Company, for such calendar month.

(d) **Budget Updates.** Promptly once available and no less than bi-annually, an operating budget for the Fiscal Year, forecasting revenue, operating costs, and capital expenses for each fiscal quarter.

(e) **Material Government Communication.** Promptly following receipt thereof by FWE IV, copies of all material written notices or other material communications issued or provided by or to any Governmental Authority.

(f) **Additional Information.** Promptly following any reasonable request therefor, such other information regarding the operations, business affairs and financial condition of the Company, as any Member or CUSA may reasonably request, including, without limitation, decommissioning cost estimates and calculations.

**Section 10.02 Inspection Rights.** Upon reasonable notice from a Member or CUSA, the Company shall afford each Member or CUSA and their respective Representatives access during normal business hours to (a) the Company's properties, offices, plants, and other facilities; (b) the corporate, financial, and similar records, reports, and documents of the Company, including, without limitation, all books and records, minutes of proceedings, internal management documents, reports of operations, reports of adverse developments, copies of any management

letters and communications with Members or the Sole Manager, and to permit each Member or CUSA and their respective Representatives to examine such documents and make copies thereof; and (c) the Sole Manager, any officers, senior employees, and public accountants of the Company, and to afford each Member or CUSA and their respective Representatives the opportunity to discuss the affairs, finances, and accounts of the Company with such Sole Manager, officers, senior employees, and public accountants (and the Company hereby authorizes said accountants to discuss with such Member or CUSA and their respective Representatives such affairs, finances, and accounts).

**Section 10.03 Income Tax Status.** The Company and the Initial Member intend that the Company shall be treated as a disregarded entity for U.S., federal, state, and local income tax purposes. Neither the Company nor any Member shall make an election for the Company to be classified as other than a partnership or a disregarded entity pursuant to Treasury Regulations Section 301.7701-3.

**Section 10.04 Tax Matters Representative.** The following Sections 10.04(a)-(f) are intended to apply if the Company becomes a partnership for U.S. federal income tax purposes:

(a) **Appointment.** The Members hereby appoint the Sole Manager as “partnership representative” as provided in Code Section 6223(a) (the “**Tax Matters Representative**”). If any state or local tax law provides for a tax matters partner/partnership representative or Person having similar rights, powers, authority or obligations, the Person designated as the Tax Matters Representative shall also serve in such capacity. To the extent required by Applicable Law, if the Tax Matters Representative is an entity, it shall appoint a “designated individual” to act on its behalf. The Tax Matters Representative can be removed at any time by a vote of Members holding a majority of the Membership Interests, and shall resign if it is no longer a Member. In the event of the resignation or removal of the Tax Matters Representative, Members holding a majority of the Membership Interests shall select a replacement Tax Matters Representative.

(b) **Tax Examinations and Audits.** The Tax Matters Representative is authorized and required to represent the Company (at the Company’s expense) in connection with all examinations of the Company’s affairs by Taxing Authorities, including resulting administrative and judicial proceedings, and to expend Company funds for professional services and costs associated therewith. The Tax Matters Representative shall promptly notify the Members in writing of the commencement of any tax audit of the Company, upon receipt of a tax assessment and upon receipt of a notice of final partnership adjustment, and shall keep the Members reasonably informed of the status of any tax audit and resulting administrative and judicial proceedings. Without the consent of Members holding a majority of the Membership Interests, the Tax Matters Representative shall not extend the statute of limitations, file a request for administrative adjustment, file suit relating to any Company tax refund or deficiency or enter into any settlement agreement relating to items of income, gain, loss or deduction of the Company with any Taxing Authority.

(c) **US Federal Tax Proceedings.** The Members acknowledge that the Company may elect the application of Section 6226 of the Code. This acknowledgement applies to each Member whether or not the Member owns an interest in the Company in both the reviewed year and the year of the tax adjustment. In the event that the Company elects the application of Section 6226 of the Code, the Members agree and covenant to take into account and report to the Internal Revenue Service (or any other applicable taxing authority) any adjustment to their tax items for the reviewed year of which they are notified by the Company in a written statement, in the manner provided in Section 6226(b) of the Code, whether or not the Member owns any interest in the Company at such time. Any Member that fails to report its share of such adjustments on its tax return, agrees to indemnify and hold harmless the Company and the Tax Matters Representative from and against any and all losses, costs, liabilities and expenses related to taxes (including penalties and interest) imposed on the Company as a result of the Member's inaction. If the Company is required to pay the assessment of the imputed underpayment under Section 6225(a)(1) of the Code or similar provisions of state law, any taxes, penalties, and interest payable by the Company shall be treated as attributable to the Members, and, to the extent possible, the Tax Matters Representative shall allocate the burden of any such amounts to those Members to whom such amounts are reasonably attributable taking into account the Member's or former Member's allocable share of taxable income or loss with respect to the Fiscal Year to which such assessment pertains and adjustments that may have been made in computing the imputed underpayment. To the extent that any such amount is payable by the Company, at the option of the Tax Matters Representative, such amount shall be recoverable from such Member as provided in Section 6.03(c). The provisions contained in this Section 10.04 shall survive the dissolution, termination or liquidation of the Company, the withdrawal of any Member or the Transfer of any Member's interest in the Company and apply to unadmitted assignees of a Member's interest who may be considered current or former partners of the Company for federal tax purposes.

(d) **Tax Returns.** Each Member agrees that such Member shall not treat any Company item inconsistently on such Member's federal, state, foreign or other income tax return with the treatment of the item on the Company's return.

(e) **Section 754 Election.** The Tax Matters Representative will make an election under Code Section 754, if the Company becomes a partnership for U.S. federal income tax purposes.

(f) **Indemnification.** The Company shall defend, indemnify, and hold harmless the Tax Matters Representative against any and all liabilities sustained as a result of any act or decision concerning Company tax matters and within the scope of responsibilities as Tax Matters Representative, so long as such act or decision was done or made in good faith and does not constitute gross negligence or willful misconduct.

**Section 10.05 Tax Returns.** At the expense of the Company, the Sole Manager (or any officer of the Company that it may designate pursuant to this Agreement) shall endeavor to cause the preparation and timely filing (including extensions) of all tax returns, if any, required to be filed by the Company pursuant to the Code as well as all other required tax returns in each

jurisdiction in which the Company owns property or does business. If the Company becomes a partnership for U.S. federal income tax purposes, as soon as reasonably possible after the end of each Fiscal Year, the Sole Manager or any designated officer of the Company, as applicable, will cause to be delivered to each Person who was a Member at any time during such Fiscal Year, IRS Schedule K-1 to Form 1065, if applicable, and such other information with respect to the Company as may be necessary for the preparation of such Person's federal, state, and local income tax returns for such Fiscal Year.

**Section 10.06 Company Funds.** All funds of the Company shall be deposited in its name, or in such name as may be designated by the Sole Manager, in such checking, savings, or other accounts, or held in its name in the form of such other investments as shall be designated by the Sole Manager. The funds of the Company shall not be commingled with the funds of any other Person. All withdrawals of such deposits or liquidations of such investments by the Company shall be made exclusively upon the signature or signatures of the Sole Manager, or any officer or officers of the Company that may be designated by the Sole Manager, as applicable, pursuant to this Agreement.

## ARTICLE XI WINDING UP AND TERMINATION

**Section 11.01 Events Requiring Winding Up.** The Company shall begin to wind up its business and affairs only upon the occurrence of any of the following events (in each case, subject to the applicable provisions of Section 7.04):

- (a) upon the permanent cessation of all production from, and Final Completion of all plugging and abandonment and decommissioning of, the FWE IV Assets;
- (b) the occurrence of a nonwaivable event under the terms of the BOC which requires the winding up of the Company after its termination unless a Continuance occurs in respect of such event; or
- (c) the entry of a judicial decree ordering winding up and termination under § 11.314 of the BOC in proceedings of which CUSA has been given notice and an opportunity to participate.
- (d) Notwithstanding the occurrence of an event referenced in Section 11.01(b), if the Company is permitted prior to the termination of its existence in accordance with the BOC to revoke a winding up upon the occurrence of such event and the Sole Manager provides its prior written consent to such revocation, then, to the extent so permitted under the BOC and in the manner provided therein, the Company's existence shall be continued (the revocation of such a winding up and continuance of the Company, a "**Continuance**").

**Section 11.02 Effectiveness of Termination.** The Company shall begin to wind up its business and affairs as soon as reasonably practicable upon the occurrence of an event described in Section 11.01 (if such event has not been revoked or cancelled), but the Company shall not terminate until the winding up of the Company has been completed, the assets of the Company

have been distributed as provided in Section 11.03, and the Certificate of Termination shall have been filed as provided in Section 11.04.

**Section 11.03 Liquidation.** If the Company is to be terminated pursuant to Section 11.01, the Company shall be liquidated and its business and affairs wound up in accordance with the BOC and the following provisions:

(a) **Liquidator.** The Sole Manager shall act as liquidator to wind up the Company (the “**Liquidator**”); provided, however, that if there is then a vacancy in the position of the Sole Manager or the Sole Manager is not willing to act as the Liquidator, the Members shall appoint a Person to act as the Liquidator with the consent of CUSA. The Liquidator shall have full power and authority to sell, assign, and encumber any or all of the Company’s assets and to wind up and liquidate the affairs of the Company in an orderly and business-like manner.

(b) **Accounting.** As promptly as possible after the event requiring winding up and again after final liquidation, the Liquidator shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company’s assets, liabilities, and operations through the last day of the calendar month in which such event occurs or the final liquidation is completed, as applicable.

(c) **Notice.** The Liquidator shall deliver to each known claimant of the Company the notice required by § 11.052 of the BOC.

(d) **Distribution of Proceeds.** The Liquidator shall liquidate the assets of the Company and distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of Applicable Law:

(i) First, to the payment of all of the Company’s debts and liabilities to its creditors (including Members, if applicable), including amounts owed, if any, pursuant to the Material Project Contracts to CUSA and/or Credit Bid Purchaser, and the expenses of liquidation (including sales commissions incident to any sales of assets of the Company);

(ii) Second, to the establishment of and additions to other reserves that are determined by the Liquidator to be reasonably necessary for any contingent unforeseen liabilities or obligations of the Company; and

(iii) Third, to the Members in accordance with the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments for the taxable year of the Company during which the liquidation of the Company occurs.

(e) **Discretion of Liquidator.** Notwithstanding the provisions of Section 11.03(d) that require the liquidation of the assets of the Company, but subject to the order of priorities set forth in Section 11.03(d), if upon winding up of the Company the Liquidator reasonably determines that an immediate sale of part or all of the Company’s

assets would be impractical or could cause undue loss to the Members, the Liquidator may defer the liquidation of any assets except those necessary to satisfy Company liabilities and reserves, and may, upon approval of holders of a majority of the outstanding Membership Interests, distribute to the Members, in lieu of cash, as tenants in common and in accordance with the provisions of Section 11.03(d), undivided interests in such Company assets as the Liquidator deems not suitable for liquidation. Any such distribution in kind shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operating of such properties at such time. For purposes of any such distribution, any property to be distributed will be valued at its Fair Market Value.

**Section 11.04 Certificate of Termination.** Upon completion of the distribution of the assets of the Company as provided in Section 11.03(d) hereof, the Liquidator or other such officer or Sole Manager shall execute and cause to be filed a Certificate of Termination in the State of Texas and shall cause the cancellation of all qualifications and registrations of the Company as a foreign limited liability company in jurisdictions other than the State of Texas and shall take such other actions as may be necessary to terminate the Company. Upon acceptance of the Certificate of Termination by the Texas Secretary of State, the Company shall be terminated.

**Section 11.05 Survival of Rights, Duties, and Obligations.** Dissolution, liquidation, winding up, or termination of the Company for any reason shall not release any party from any Loss that at the time of such dissolution, liquidation, winding up, or termination already had accrued to any other party or thereafter may accrue in respect of any act or omission prior to such dissolution, liquidation, winding up, or termination. For the avoidance of doubt, none of the foregoing shall replace, diminish, or otherwise adversely affect any Member's right to indemnification pursuant to Section 9.03.

**Section 11.06 Recourse for Claims.** Each Member shall look solely to the assets of the Company for all distributions with respect to the Company, such Member's Capital Account, and such Member's share of Net Income, Net Loss, and other items of income, gain, loss, and deduction, and shall have no recourse therefor (upon termination or otherwise) against the Liquidator or any other Member.

## ARTICLE XII MISCELLANEOUS

**Section 12.01 Expenses.** The Initial Member will pay, or cause to be paid, or contribute to the Company amounts necessary for the Company to pay, all amounts necessary to fully cover (a) costs associated with the formation of the Company in connection with the Divisive Merger Documents and (b) any premiums to satisfy organizational or area wide bonding requirements.

**Section 12.02 Further Assurances.** In connection with this Agreement and the transactions contemplated hereby, the Company and the Member hereby agree, at the request of the Company or any other Member, to execute and deliver such additional documents, instruments, conveyances, and assurances and to take such further actions as may be required to carry out the provisions hereof and give effect to the transactions contemplated hereby.

### Section 12.03 Confidentiality.

(a) Each Member acknowledges that it will have access to and become acquainted with trade secrets, proprietary information, and confidential information belonging to the Company and its Affiliates that are not generally known to the public, including, but not limited to, information concerning business plans, financial statements, and other information, operating practices and methods, expansion plans, strategic plans, marketing plans, contracts, customer lists, or other business documents that the Company treats as confidential, in any format whatsoever (including oral, written, electronic, or any other form or medium) (collectively, “**Confidential Information**”). In addition, each Member acknowledges that: (i) the Company has invested, and continues to invest, substantial time, expense, and specialized knowledge in developing its Confidential Information; (ii) the Confidential Information provides the Company with a competitive advantage over others in the marketplace; and (iii) the Company would be irreparably harmed if the Confidential Information were disclosed to competitors or made available to the public. Without limiting the applicability of any other agreement to which any Member is subject, no Member shall, directly or indirectly, disclose or use (other than solely for the purposes of such Member monitoring and analyzing its investment in the Company) at any time, including, without limitation, use for personal, commercial, or proprietary advantage or profit, either during its association with the Company or thereafter, any Confidential Information of which such Member is or becomes aware. Each Member in possession of Confidential Information shall take all appropriate steps to safeguard such information and to protect it against disclosure, misuse, espionage, loss, and theft.

(b) Nothing contained in Section 12.03(a) shall prevent any Member from disclosing Confidential Information: (i) upon the order of any court or administrative agency; (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such Member; (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories, or other discovery requests; (iv) to the extent necessary in connection with the exercise of any remedy hereunder; (v) to the other Members; or (vi) to such Member’s Representatives who, in the reasonable judgment of such Member, need to know such Confidential Information and agree to be bound by the provisions of this Section 12.03 as if a Member; or (vii) to any potential Transferee in connection with a proposed Transfer of Membership Interests from such Member, as long as such potential Transferee agrees in writing to be bound by the provisions of this Section 12.03 as if a Member before receiving such Confidential Information; provided, that in the case of clause (i), (ii), or (iii), such Member shall notify the Company and other Members of the proposed disclosure as far in advance of such disclosure as practicable (but in no event make any such disclosure before notifying the Company and other Members) and use reasonable efforts to ensure that any Confidential Information so disclosed is accorded confidential treatment satisfactory to the Company, when and if available.

(c) The restrictions of Section 12.03(a) shall not apply to Confidential Information that: (i) is or becomes generally available to the public other than as a result of a disclosure by a Member in violation of this Agreement; (ii) is or has been independently developed or conceived by such Member without use of Confidential

Information; or (iii) becomes available to such Member or any of its Representatives on a non-confidential basis from a source other than the Company, the other Members, or any of their respective Representatives, provided, that such source is not known by the receiving Member to be bound by a confidentiality agreement regarding the Company.

(d) The obligations of each Member under this Section 12.03 shall survive for so long as such Member remains a Member, and for three years following the earlier of (i) termination, dissolution, liquidation, and winding up of the Company; (ii) the withdrawal of such Member from the Company; or (iii) such Member's Transfer of its Membership Interests; provided that with respect to Confidential Information that constitutes a trade secret under Applicable Law, the obligations of each Member under this Section 12.03 shall survive until, if ever, such Confidential Information loses its trade secret protection other than due, directly or indirectly, to an act or omission of the Member.

**Section 12.04 Notices.** All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given:

- (a) when delivered by hand (with written confirmation of receipt);
- (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested);

**Section 12.06 Severability.** If any term or provision of this Agreement is held to be invalid, illegal, or unenforceable under Applicable Law in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Except as provided in Section 9.03(g), upon such determination that any term or other provision is invalid, illegal, or unenforceable, this Agreement shall be modified automatically so as to effect the original intent of the parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible, legal, and enforceable.

**Section 12.07 Entire Agreement.** This Agreement, together with the Certificate of Merger, Plan of Merger, Certificate of Formation, the Material Project Contracts and all related Exhibits and Schedules, constitute the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.

**Section 12.08 Successors and Assigns.** Subject to the restrictions on Transfers set forth herein, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors, and assigns.

**Section 12.09 No Third-Party Beneficiaries.** Except (a) with respect to certain rights reserved to CUSA as set forth in this Agreement, which shall be for the benefit of and enforceable by CUSA, and (b) as provided in ARTICLE IX, which shall be for the benefit of and enforceable by Covered Persons as described therein, this Agreement is for the sole benefit of the parties hereto (and their respective heirs, executors, administrators, successors, and assigns) and nothing herein, express or implied, is intended to or shall confer upon any other Person, including any creditor of the Company, any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement; provided, however that CUSA and each Covered Persons shall be an express third party beneficiary of this Agreement.

**Section 12.10 Amendment.** Subject to Sections 2.02, no provision of this Agreement may be amended or modified except by an instrument in writing executed by the Company and the Members holding a majority of the Membership Interests; provided, however that any amendment or modification which impacts the rights of CUSA hereunder, including changes to Section 2.05 (Purpose) shall be subject to the prior written consent of CUSA, which may be given, delayed or withheld in its sole discretion. Any such written amendment or modification will be binding upon the Company, CUSA and each Member. Notwithstanding the foregoing, amendments to the Members Schedule following any new issuance, redemption, repurchase, or Transfer of Membership Interests in accordance with this Agreement may be made by the Sole Manager without the consent of or execution by the Members.

**Section 12.11 Waiver.** No waiver by any party or CUSA of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving or CUSA, respectively. No waiver by any party or CUSA shall operate or be construed as a waiver in respect of any failure, breach, or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. For the avoidance of doubt, nothing contained in this Section 12.11 shall diminish any of the explicit and implicit waivers described in this Agreement.

**Section 12.12 Governing Law.** All issues and questions concerning the application, construction, validity, interpretation, and enforcement of this Agreement shall be governed by and construed in accordance with the internal laws of the State of Texas, without giving effect to any choice or conflict of law provision or rule (whether of the State of Texas or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Texas.

**Section 12.13 Submission to Jurisdiction.** The parties hereby agree that any suit, action, or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby, whether in contract, tort, or otherwise, shall be brought in the federal courts of the United States of America or the courts of the State of Texas, in each case located in Harris County and in Houston, Texas. Each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action, or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action, or proceeding in any such court or that any such suit, action, or proceeding that is brought in any such court has been brought in an inconvenient forum. Service of process, summons, notice, or other document by registered mail to the address set forth in Section 12.04 shall be effective service of process for any suit, action, or other proceeding brought in any such court.

**Section 12.14 Waiver of Jury Trial.** EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY DISPUTE OR CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES

AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**Section 12.15 Equitable Remedies.** Each party hereto acknowledges that a breach or threatened breach by such party of any of its obligations under this Agreement would give rise to irreparable harm to the other parties or CUSA, for which monetary damages would not be an adequate remedy, and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, each of the other parties hereto and CUSA shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).

**Section 12.16 Attorney's Fees.** In the event that any party or third-party beneficiary hereto institutes any legal suit, action, or proceeding, including arbitration, against another party in respect of a matter arising out of or relating to this Agreement, the prevailing party or third-party beneficiary in the suit, action, or proceeding shall be entitled to receive, in addition to all other damages to which it may be entitled, the costs incurred by it in conducting the suit, action, or proceeding, including reasonable attorneys' fees and expenses and court costs.

**Section 12.17 Remedies Cumulative.** The rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other rights and remedies available at law or in equity or otherwise, except to the extent expressly provided in Section 9.02 to the contrary.

**Section 12.18 Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by email or other means of Electronic Transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

**Footnotes:**

[1] Represents leases in which all of the Debtors' right, title and interest in such leases are to be abandoned (less and except the right, title and interest acquired by FWE from Apache); as to all remaining leases on this schedule (other than those leases referenced in footnotes [2]-[6] below), all of the Debtors' right, title and interest in such leases are to be abandoned. For each lease on this schedule, see the BOEM's Serial Register Page to identify the Debtors' interests; this schedule identifies each separate interest of the Debtors that carries any assets or liabilities, but does not necessarily identify each separate interest of the Debtors in each such lease.

[2] The Debtors' operating rights and record title solely as to the NE/4 of the block are to be abandoned. The Credit Bid Purchaser is to acquire only the Debtors' overriding royalty interests in the block and the Debtor's record title solely as to the S/2 and NW/4 of the block.

[3] FWE I is to acquire solely the operating rights as to the NE/4 of this block; the Credit Bid Purchaser is to obtain the Debtors' overriding royalty interest in this lease; and the Debtors' remaining interests in the lease are to be abandoned.

[4] Represents leases where the Credit Bid Purchaser is to acquire solely the Debtors' overriding royalty interests; the Debtors' remaining interests in these leases are to be abandoned.

[5] Represents leases in which all of the Debtors' right, title and interest in such leases are to be abandoned (less and except the right, title and interest acquired by FWE from Chevron).

[6] Represents leases in which all of the Debtors' right, title and interest in such leases are to be abandoned (less and except the right, title and interests acquired by FWE from both Apache and Chevron).
